**Re: Federal Wage Rate Certification for National
Infrastructure Investments under the Consolidated
Appropriations Act, 2020 Application**

Dear Secretary Chao:

The City of Wichita Falls, as the administrator of this proposed Better Utilizing Investments to Leverage Development (BUILD) Project for the construction and improvements of the Events Center and Central Business District Corridors Project, will comply with the federal wage rate requirements of subchapter IV of chapter 31 of title 4, U.S.C.

If the City of Wichita Falls receives an award from the FY 2020 BUILD Transportation Discretionary grant fund to construct the needed Events Center and Central Business District Corridors Project, all prime and sub-contractors working on the project will be required to meet federal wage requirements.

Sincerely,

Stephen L. Santellana
Mayor
City of Wichita Falls, Texas
